

While companies may vary greatly in their products, size, structure and operational sophistication, all companies have fundamental product compliance similarities and face certain core challenges.

MSDScompliance.com

MSDScompliance.com is a niche web portal that enables vendors of MSDS Software or Services to connect with relevant EH&S buyers.

MSDScompliance.com is unique as it represents the only Network that targets and attracts qualified buyers of MSDS related solutions.

The number one objective is to get your products and services the exposure they deserve through **MSDScompliance.com** and the entire **MSDS Network**.

Overview

*MSDS Compliance, a niche focused website has revolutionized online MSDS Software and Services search by offering EH&S Buyers **the best place to start their solution search**. Buyers can quickly and easily access information on MSDS Software & Services to help them make quicker and better decisions resulting in **shorter sales cycles**.*

MSDScompliance.com + MSDS Network = The MSDScompliance Network.

MSDScompliance.com

In order to ENGAGE your audience you must be creative and different.
We deliver your solutions to a transaction-ready relevant audience.

The screenshot shows the MSDS Compliance website interface with several callouts for banner opportunities:

- Homepage Leaderboard position 486 x 60:** A blue arrow points to a banner at the top of the page with the text "Manage and Distribute compliant MSDS's".
- Banner Opportunities:** A blue arrow points to a search box area on the right side of the page.
- Banner Opportunities:** A blue arrow points to a "How It Works" section in the middle of the page.
- This area is also available for Banner Ads (300 x250):** A blue arrow points to a "Vendor Center" section on the right side of the page.
- Homepage Footer Leaderboard 728 x 90:** A blue arrow points to a banner at the bottom of the page with the text "Make your products stand out! Develop a higher quality MSDS".

MSDScompliance.com

The MSDScompliance.com Network is the next generation product compliance marketplace offering a unique service that connects vendors with buyers of product compliance software and services. MSDScompliance.com provides an intuitive yet simple online content management system that enables you to post and manage your products & services, events, publications, news, articles and much more. Your company, software and services will then appear on all relevant searches within our website. This will also increase your presence on major search engines such as Yahoo, Google and Bing.

Our Network offers Vendors

- Access to a Highly Desirable EH&S buyers
- Integrated Dynamic Marketing Opportunities
- Premium exposure for your brand
- Placement on the MSDS Network of websites (30+)
- Lead referrals

Our Network offers EH&S Buyers

- High-Quality access to top MSDS Vendors through a vast network of website portals/services
- No Online Intrusions (pop-ups etc)
- Customizable Features (advanced search, shortlist vendors, compliance questionnaires, submit RFI/RFQ and much more)
- Receive Non-Bias Advice and live support from our experts

Our experts speak directly to prospects and help them locate any information they need. We also make an effort to gather basic qualification data from buyers. Once we have this data we quickly evaluate it in order to connect only qualified vendors who are part of our Network.

MSDScompliance does not charge a referral fee or any commission for relevant leads that we send to our sponsors. What you get is highly qualified leads who are actively seeking your solutions. Additionally, we are building the worlds largest EH&S databases which we will proactively contact in order to do surveys or needs analysis.

Our core team is made up of Safety Specialists, Nurses, Sales Experts, Website Marketing Gurus, and we continue to expand.

Please continue to learn more about the features offered on MSDScompliance.com and the supplemental marketing opportunities available on the MSDS Network.

The MSDScompliance Network Attracts the buyers you want.

We work hard to ensure that your solutions receive the most exposure that the Internet can offer. Our team works tirelessly to get you to the top of search engines and spread across many organic keyword optimized mini-websites.
